

First species through thirteenth species described in the specification as the first through thirteenth embodiments (commencing on page 19, line 12, with the first embodiment and extending through page 49, line 10, with the thirteenth embodiment) and an in-determinant number of un-illustrated variants of the above thirteen species, described, for example, commencing on page 25, line 26 and again commencing on page 34, line 11.

Applicants, without traverse, respectfully request the Examiner to proceed with the Species of the third embodiment principally illustrated in Figures 9 and 10. Applicant believes that Claims 1-6 read on the elected species. Applicants request that the non-elected Claims be held in abeyance for possible rejoinder and/or further prosecution in future divisional and/or continuation applications.

CONCLUSION

It is believed that a full and complete response has been made to the outstanding Office Action, and as such, the present application is in condition for allowance. Thus, prompt and favorable consideration of this Response is respectfully requested. If the Examiner believes that personal communication will expedite prosecution of this application, the Examiner is invited to telephone the undersigned at (248) 641-1600.

Respectfully submitted,

Dated: March 13, 2007
